The Fairfield County Council on Aging Annual Senior Angel Tree is up and we have lots of Angels that need adopting. Last year, our volunteers delivered 250 Christmas gifts to our Meals on Wheels clients. Your donations of gifts and time filled the hearts of our Seniors.

Some Angels have made small personal requests; however, we have provided a list below to give you some ideas. These are simply suggestions. Be creative and pack your box with items you think a senior would love to have. Boxes can also contain personal items, like scarves, gloves, socks, etc. Please try to keep the boxes uniform in value (\$35 is the suggested amount to fill a box). All items should fit in the box provided for ease of delivery.

**Please remember that all containers should have “easy open” pull tabs so that seniors with arthritic hands can open them easily. Also, individual serving sizes are good for seniors that live alone.**

Please **DO NOT** include any items that are perishable, like fresh fruit, or anything that may melt or spill. Also, please do not include gift cards.

**All Boxes are to be returned to the Council on Aging by December 7, 2022.**

*Thank you!*
